Become a 1+MG/ B1MG Stakeholder!

If you haven't registered yet to become an official stakeholder of the B1MG project, don't forget to sign up to gain access to the portal and the group discussions <https://bit.ly/b1mg-stakeholder>

We have preassigned you to breakout rooms according to your choice when registering for the meeting:

1. **WG8 - Rare Diseases**
2. **WG9 - Cancer**
3. **WG10 - Common Complex Diseases (& Genome of Europe (GoE)**
4. **WG11 - Infectious Diseases**

If you cannot find your way into the breakout rooms, or wish to change room, please write to Nikki Coutts in the chat which one you wish to join and we will assign you to it.

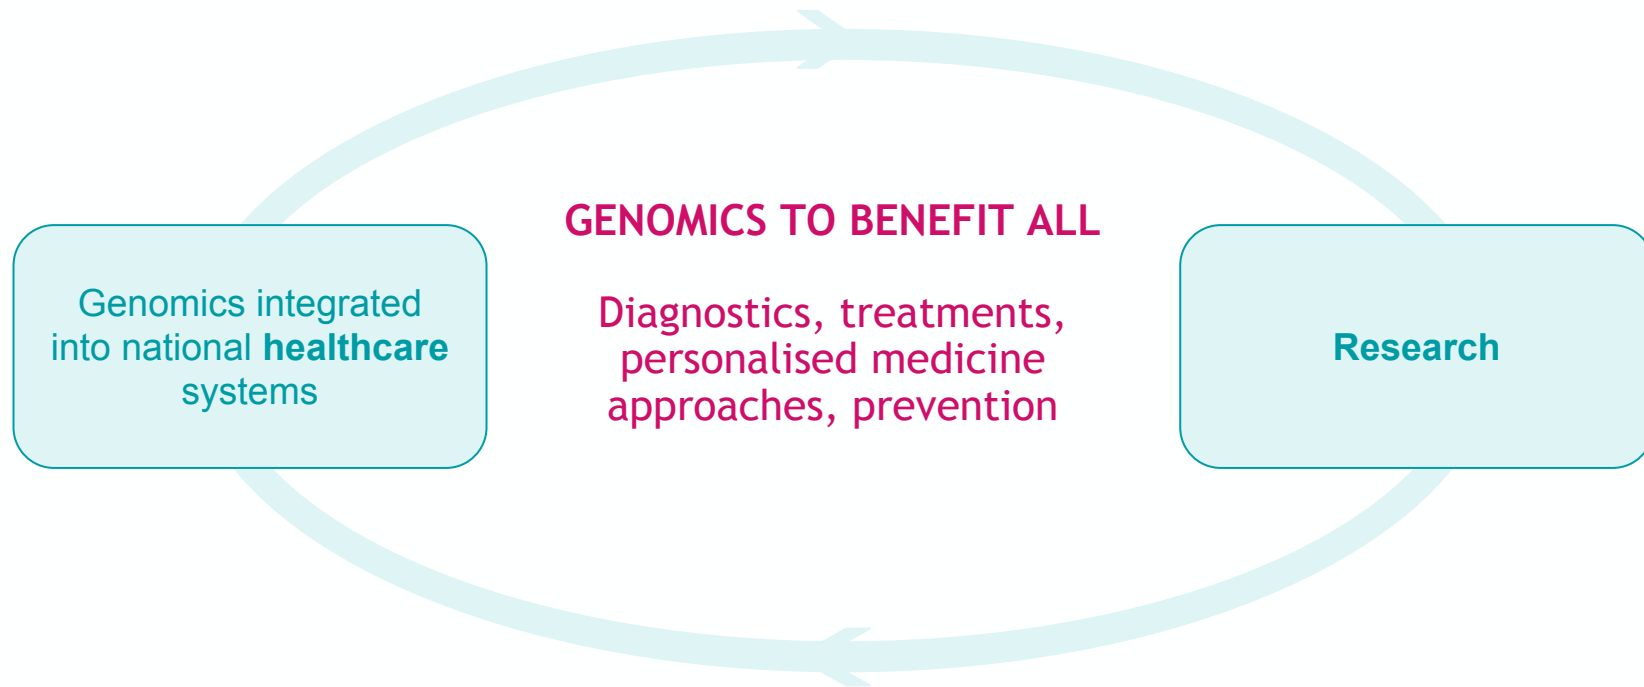

Welcome to

The 1+MG/B1MG Stakeholder Forum

13th Oct, 1000-1630 CEST
